What a wonderful place !!! Thank you so much for everything today.. What an awesome experience..you owe it to yourself to stop by...can't wait to go again.

I absolutely enjoyed my time to learn about Angels, having Joann reading the Angel cards for me, it felt very special. Joann is very knowledgeable, and easy to talk to. I purchased a bracelet with the world Love on it, made by Joann, and honestly since then I do feel surrounded by that feeling. For sure I know that Angels are so close and that their love is real. Thank you Dear Joann.
